

2019 ACJF Grantees
Thanks for Making a Difference Grants
Nominated by ACJF IOLTA Participants
Total Awarded \$77,000

This is the second year for this new grant process which allowed attorneys with an ACJF IOLTA account to invite a nonprofit making a difference in their community to apply for up to a \$5,000 grant? We received 35 nominations and the applications were reviewed and rated by current and past non-lawyer board members. Thirty winners were selected and approved by the ACJF Board. Congratulations to the organizations that received a grant award check to be delivered by the nominating lawyer.
